

## Overview

Students will assess the European Union (EU).

## Length

One class

## Materials

[Europe \(World101\)](#)

Handout (attached)

## Instructional Plan

1. As students read through the Europe section of Regions of the World, have them take notes using the attached chart.

## Extension and Additional Resources

- Consider assigning students to fill out the chart from the perspective of different EU members.
- This exercise could become the basis for a writing assignment or presentation.
